

## Opening of Babworth Crematorium

Babworth Crematorium opened August 15th 2018 to serve the residents within Bassetlaw and surrounding areas.

The Crematorium opened just over 6 months ago and within that short time the landscaping on the site is starting to look beautifully established.

Since opening we have undertaken 400 cremations and have received such positive feedback from the families that we have been privileged to serve. It is always our aim to provide the highest quality of service to all our families.

## Charity News

We held our 1st carol service on 12th December 2018. It was well attended in view that we had only being opened 4 months at that time and would like to thank everyone who came. The Carol Service will be something the site holds every year and will take place between early to mid-December - once a date has been finalised we will publish this on our website. During last years' carol service we were able to donate £500.00 to support the local 'Bassetlaw Hospice'.

## Babworth Memorial Garden

The memorial gardens are now available, which provide areas within the grounds for quiet contemplation. A memorial path has been installed which leads to our pond. The pond is hopefully due to be developed this summer and will no doubt create further tranquillity to the site.

There are a variety of memorials to choose from along with our scattering area. If you do have any further questions regarding this please do not hesitate to contact the office.

**GLOWING REPORT FROM THE FEDERATION OF BURIAL AND CREMATION AUTHORITIES**

We are very proud to be given a glowing report from the Federation of Burial and Cremation Authorities following an inspection in November 2018. The inspection covers all aspects of the crematorium including accuracy of record keeping, presentation of Chapels and buildings, appearance of the grounds and many other things. We were presented with our Certificate of Full Membership in early December 2018.

## Babworth Crematorium is dedicated by the Bishop of Hallam

Babworth Crematorium dedication service took place on Thursday June 6th, and was well attended by local Funeral Directors, Clergy, Funeral Celebrants and senior representatives of professional organisations from the bereavement sector. The service of dedication was led by the Right Reverend Ralph Heskett, Bishop of Hallam, who emphasised how important the people involved in making funeral arrangements and providing facilities at Crematoria are and how vital it is to provide the correct environment for the bereaved to be able to mourn.

The Bishop blessed the buildings and grounds and spoke of the how the new Crematorium will provide a place where services can be held for those of every faith and those with none, meeting the needs and wishes of every family. Babworth Crematorium is a place where they can all draw comfort from the beautiful natural surroundings.

## Memorialisation Update

Babworth Crematorium are excited to announce the launch of a new memorial range giving families the opportunity for a truly bespoke and personal memorial to their loved ones. Ashes with Art are a family run business with 15 years' experience and has joined the Babworth Team to provide this high quality memorialisation. Their processes allow for ashes to be fused in to specialist glass and create either Jewellery or wall mountable art. If further information is required please contact the Babworth team who will be happy to assist you.

## Westerleigh Group News

Babworth Crematorium is part of the Westerleigh Group. Westerleigh operates 34 sites across the breadth of the UK. Over the past 2 years we have opened five new crematoria at Babworth Crematorium, North Wiltshire Crematorium, The Vale Crematorium (Evesham), Aylesbury Vale Crematorium and Stirlingshire Crematorium.

We strive to deliver the very best standards of support and care for the families who come to us - and work in partnership with our Funeral Directors to be able to deliver this. Our colleagues who work in our sites, in our opinion, are the most passionate and dedicated in the industry.
